About Us

About Us

The Pesticide Safety Education Program (PSEP) at the University of Nebraska-Lincoln, in concert with Extension Specialists, Extension Educators, and Extension Assistants, provides educational and training programs that address health, the environment, economic well-being, and pesticide safety.

Careers

Are you interested in a career in Agronomy/Horticulture or another area within the College of Agricultural Sciences and Natural Resources? [Find out more.](#)

Chemigation

[Chemigation training sessions \(in-person\)](#) — Register here for a chemigation training session in your area.

[Online chemigation training](#) — This online training program can be used for **initial (first-time) certification and recertification** of chemigators.

STEP 2

Click on the blue Pay button

\$50 Enroll – for Private applicator training (this fee is for the required training and does not include the NDA Licensing fee).

\$80 Enroll – for Commercial/Noncommercial applicator recertification training (this fee is for the required training and does not include the NDA licensing fee).

Enroll – for Chemigation training (which is no cost)

The screenshot shows a web browser window with two tabs: "Pesticide Safety Education Progi" and "Private Pesticide Safety Training". The address bar shows the URL: <https://connect.nebraska.edu/browse/unl/courses/private-pesticide-safety-recertification-training>. The website header is red with the text "UNIVERSITY OF NEBRASKA-LINCOLN". Below the header is the "NU CONNECT" logo, which includes a large red "N" and the text "NU CONNECT". To the right of the logo are links for "Login", a shopping cart icon, "FAQ", and a red button labeled "REQUEST INFO". The main content area features a large image of the University of Nebraska-Lincoln's iconic columns with a large white "N" overlaid. To the right of the image, the text "Private Pesticide Safety Training" is displayed, followed by the dates "Jan 1 - Apr 15, 2022". Below this, there are two buttons: a blue button labeled "\$50 Enroll" and a white button labeled "Add to Cart". A blue arrow points to the "\$50 Enroll" button. At the bottom of the page, there is a section with the University of Nebraska-Lincoln logo and a paragraph of text: "This is a mandatory course for Private Pesticide Applicators in the state of Nebraska. The training is federally regulated and is created by University of Nebraska to meet the requirements of the EPA and the Nebraska Department of Agriculture. This course is only for those who already have or are interested in receiving a Private Applicator license." Below this text is the email address "pested@unl.edu". At the very bottom of the page, there is a grey banner with the text "Sign up for this course today!". The Windows taskbar is visible at the bottom of the screen, showing the search bar, task view button, and various application icons.

STEP 4

This will bring you to a screen for which ever online training program you registered for (Private, Commercial/Noncommercial recertification, or Chemigation)
There is not a promotional code to enter.
Click the Blue Enroll Button

The screenshot shows a web browser window with two tabs: "Pesticide Safety Education Progi..." and "University of Nebraska System". The address bar shows the URL "https://connect.nebraska.edu/checkout". The page header is red with "UNIVERSITY OF NEBRASKA" in white. Below the header is the "University of Nebraska System" logo. To the right of the logo are links for "Chemigation Tester", a shopping cart icon with a "1" badge, "FAQ", and a red "REQUEST INFO" button. The main content area is titled "Checkout". It features a course card for "Chemigation" with a thumbnail image of classical columns and the text "Course" and "\$0". Below the course card, the "TOTAL" is displayed as "\$0". There is a "Promotion Code" section with an input field and an "Apply" button. To the right of this section are "Cancel" and "Enroll" buttons. A blue arrow points to the "Enroll" button. At the bottom of the page, there are links for "Course Catalog", "Terms of Use", and "Privacy Policy", followed by the copyright notice "© 2022 University of Nebraska System All Rights Reserved." The Windows taskbar is visible at the bottom of the screen.

STEP 6

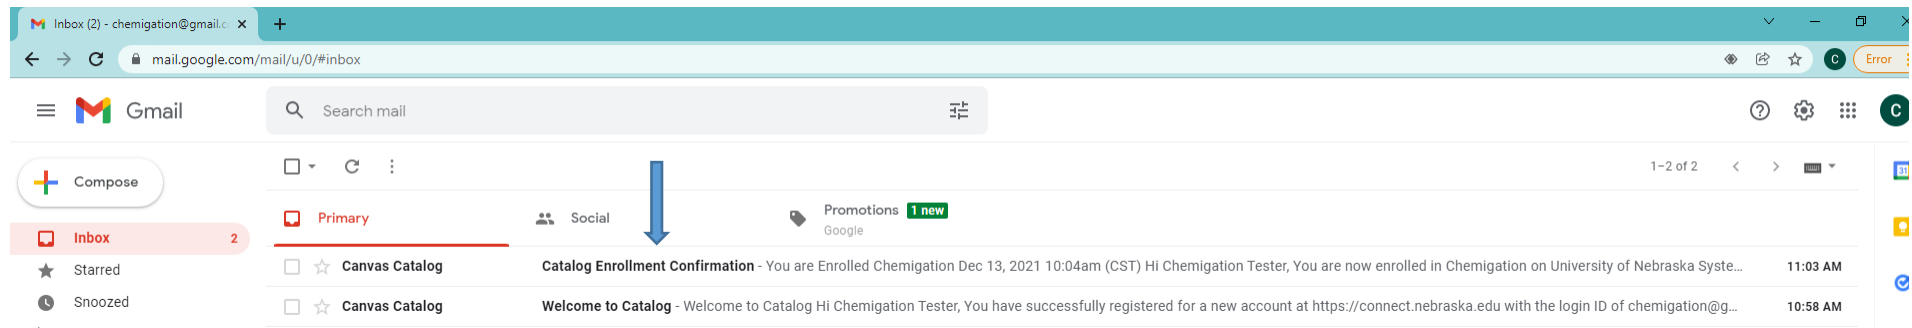

You will receive 2 emails from “Canvas Catalog”.

The first email with the subject line “Welcome to Catalog” is just a confirmation that you enrolled in the training.

The second email with the subject line “Catalog Enrollment Confirmation” is the one you will need to open to get to the online training.

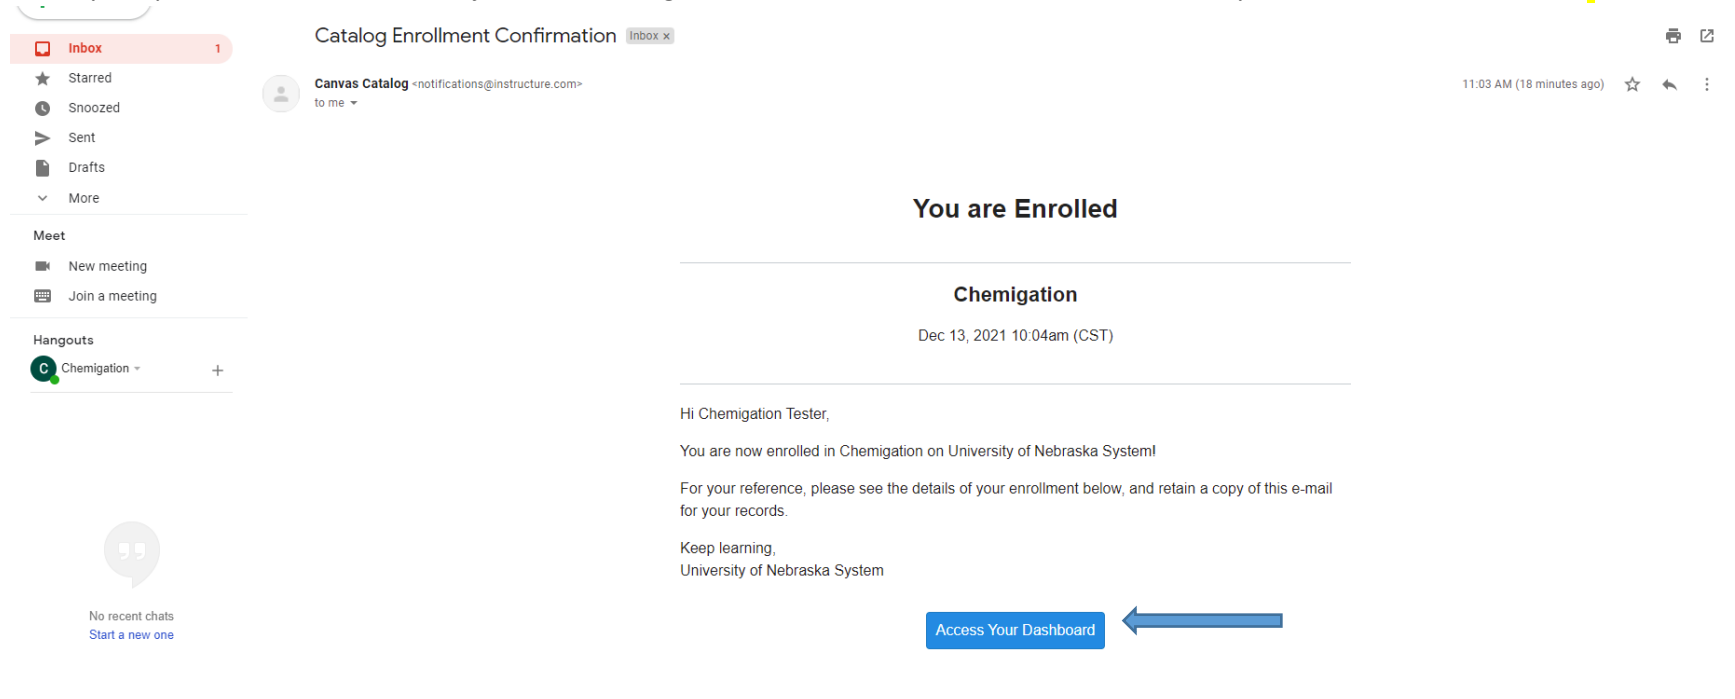

If you did not receive the emails please check your spam, or junk mail folders or use your email search bar and search “canvas catalog”

If you are unable to find the emails with these steps please see the “reset password” instructions after Step 8.

STEP 7

When you open the email with the subject line “Catalog Enrollment Confirmation” click on the “access your dashboard” in this email.

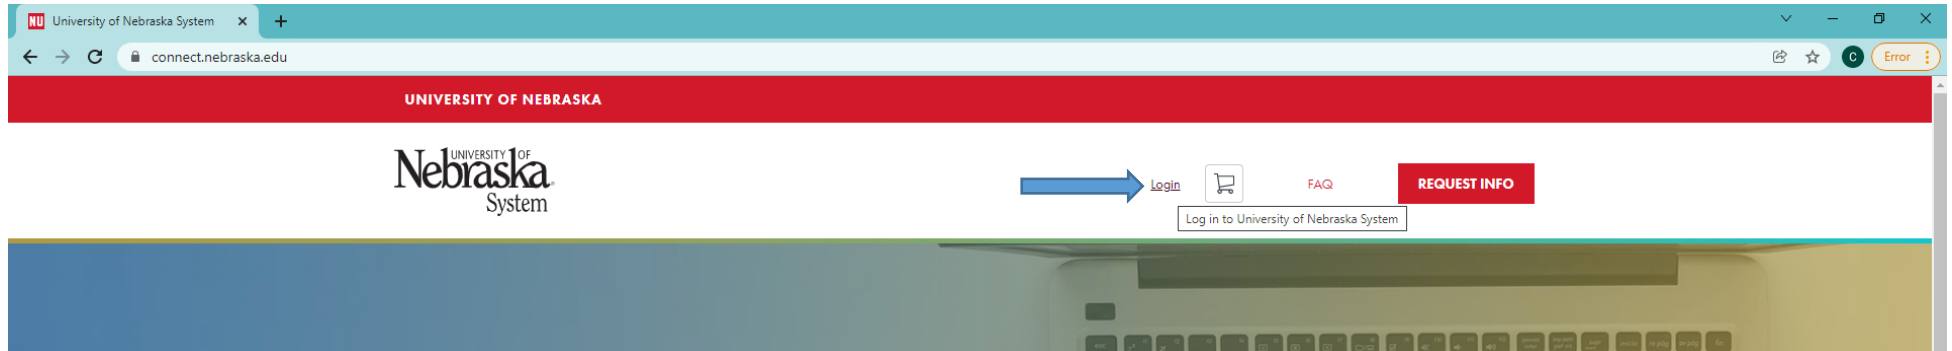

STEP 8

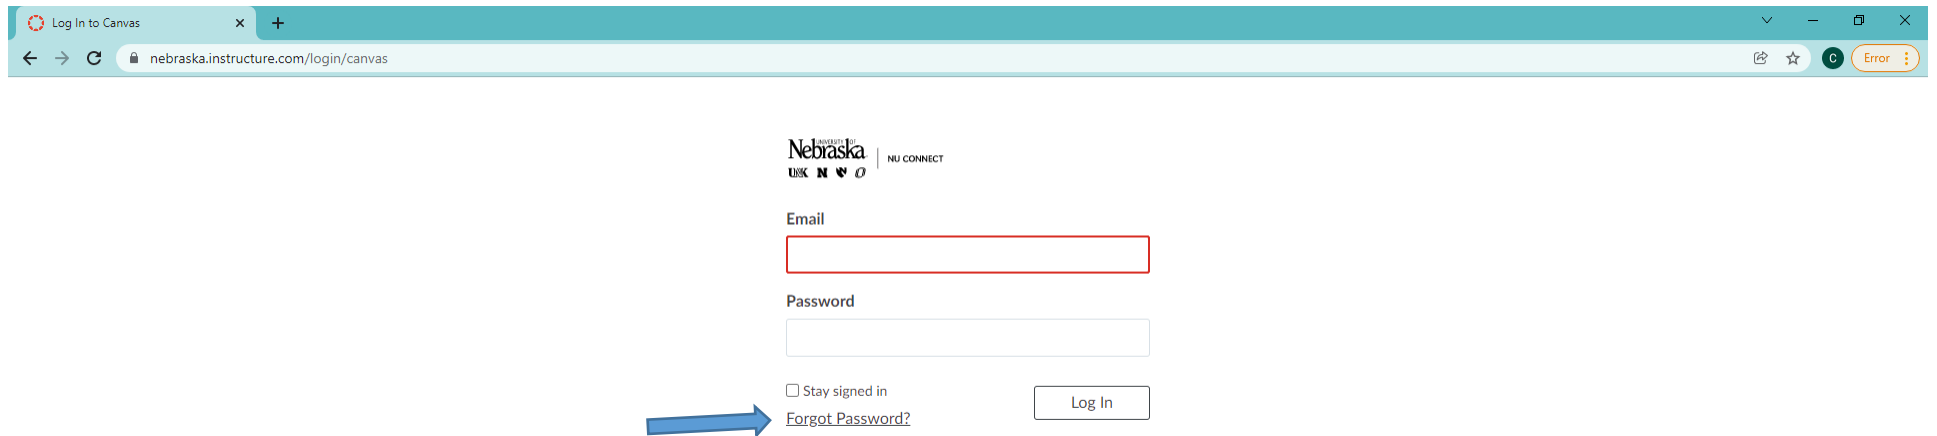

You will be directed to set a password for your Canvas training login. Or if you already have a log in you will enter your email address and password. After completing this step you will have access to which ever training(s) you have enrolled in on your dashboard. Just click on the training you wish to do to begin the online training process. In this example I have enrolled in the Chemigation training. Yours may have a training other than what I have pictured below. After you complete this step there will training specific instructions to follow.

The screenshot shows a web browser window with two tabs: "Forgot Password: Canvas - chem" and "Dashboard". The address bar shows the URL "nebraska.instructure.com/?login_success=1". The dashboard interface includes a top navigation bar with the "NU" logo, an "Account" link, and a "Dashboard" link. A notification banner at the top reads "Notifications. Tell us how and when you would like to be notified of events in Canvas." with a "Notification Preferences" button. The main content area is titled "Dashboard" and features a large pink card for "Chemigation" training, which is highlighted by a blue arrow. The card also displays the text "Chemigation" below the title. To the right of the dashboard, there are sections for "To Do" (Nothing for now) and "Recent Feedback" (Nothing for now), along with a "View Grades" button. The bottom of the page shows the "INSTRUCTURE" logo and links for "Privacy Policy", "Acceptable Use Policy", "Facebook", and "Twitter". The Windows taskbar at the bottom displays the search bar, various application icons, and the system clock showing 11:29 AM on 1/31/2022.

Reset Password Instructions **(1)**- If you forgot your password for the canvas training or if you did not get the 2 emails described in the steps above please go to connect.nebraska.edu and click on the login button at the top of the page.

2. Click on the forgot password button. Even if you did not set up a password yet this should force the forgot password email to come to your email.

3. Enter your email address and click the request password button.
