STEP 1
To begin the online registration process in the top search bar go to: pested.unl.edu
On the right hand side of the page under “HOT TOPICS!” click on-
“Private online Training” for private applicators
OR
“Online Recertification Training” for commercial/noncommercial recertification training
OR
“Online Chemigation training” for Chemigation.
STEP 2
Click on the blue Pay button

$50 Enroll – for Private applicator training (this fee is for the required training and does not include the NDA Licensing fee).

$80 Enroll – for Commercial/Noncommercial applicator recertification training (this fee is for the required training and does not include the NDA licensing fee).

Enroll – for Chemigation training (which is no cost)
STEP 3
Create an account by either filling out the create an account form or if you have an existing account click the blue “Already have an account? Sign in here” button.
STEP 4
This will bring you to a screen for which ever online training program you registered for (Private, Commercial/Noncommercial recertification, or Chemigation) There is not a promotional code to enter. Click the Blue Enroll Button
**STEP 5**

Click on the blue button that says “Go to Courses”
STEP 6
Once you click “Go to courses” you will see this screen that will tell you to go to your email to confirm your registration. This may take a few minutes to arrive in your email. If after a few minutes the emails have not arrived be sure to check your spam or junk mail folders for the emails.
Step 7
You will receive 2 emails from “Canvas Catalog”.
The first email with the subject line “Welcome to Catalog”

When you open the email click the blue box that says “Complete Registration”
Step 8
You will be directed to this page in Canvas to set up your password.
After you have typed in the password of your choosing click the red register button.
Step 9
Once you have clicked the Register Button the following screen will appear for which ever online training you are doing. (Private Online, Commercial/Noncommercial, or Chemigation training). This example is for Chemigation.
Click on the blue “begin course” button.
Once you click the “begin course” button you will be able begin your online training.
FAQ's
