

Pesticide Master List

Use this table to keep track of your commonly used pesticide products. When completing an application record, you can save time by referencing this table.

Remember that every pesticide product and formulation has a unique EPA registration number. Products with the same active ingredient may differ greatly in terms of formulation and concentration. Be sure to write each product separately.

#	Product Name	EPA Reg. No.	Active Ingredient(s) (a.i.)	% a.i.	RUP?
